

# Hoehn's Concordance to the King James Bible

copyright 2012, Frederick E. Hoehn, All Rights Reserved

Preface:

This author's previous concordance was to The Holy Bible, Hoehn Version, which version came out in 2012. This concordance is to the King James Bible, which was first published in England in 1611 A.D.

A concordance assists in finding scripture verses in the Bible if you remember some of the words.

For example, you might remember "Delight yourself in the Lord" from Psalm 37:4, but not remember where that is in the Bible. So, look up delight, and one of the places that is found, is Psalm 37:4, which says:

"Delight thyself also in the Lord, and he shall give thee the desires of thine heart."

Three-character abbreviations are used in the listings for each of the sixty six books in the Bible. Here is the list:

Not every word can be listed in the concordance, because the most common words in our language are too numerous. You wouldn't want to look through thousands of scriptures, even if the word "and" were listed. So, you look under a less common word.

The Lord bless you, Frederick E. Hoehn, June 2012, [www.LivingWater.bugs3.com](http://www.LivingWater.bugs3.com)
